Nutritionally Balanced Vitamins and Minerals

Digestive Enzymes

Cheese Flavor

Dried Tomato Pomace

BENEFITS

Proteins are the building blocks for a healthy animal. Proteins build and repair muscle, tissue and coat. Exceeds AAFO nutritional levels. Easier to digest and assimilate in the small intestines

Energy is fuel for the body to work: growth, reproduction, lactation and other bodily functions

Needed for key metabolic functions: enzyme activity, nerves and electrolytic balance

Aids in digestion and helps increase the number of essential vitamins and amino acids

Increased palatability

Fiber and flavor

SUPER HI-PRO DOG FOOD

503

ACE-HI SUPER HI-PRO DOG FOOD is a 26% crude protein diet formulated with all the essential vitamins and minerals. Dogs that have a high protein diet with vitamins and minerals are stronger and healthier with fewer illnesses and look and feel better. This product also contains a balanced combination of Lactobacillus Acidophilus, cultured yeast strain, Saccharomyces Cerevisiae and digestive enzymes. This increases the ability of the dog to fully digest its food. Additionally, the dog will benefit from the production of a number of essential amino acids produced as a byproduct of the bacteria in the diet.

FEEDING DIRECTIONS

Amounts per day:

Weight of Dog	Maintenance	Growing/Exercise
	Standard 8 oz Measuring Cup	Standard 8 oz Measuring Cup
5-15 lbs	1-2 cups	2-3 cups
15-25 lbs	2-3 cups	3-4 cups
25-45 lbs	4-5 cups	5-6 cups
45-85 lbs	6-8 cups	8-10 cups
85+ lbs	1 cup for each 10 lbs of body weight	

Feed pregnant dogs 50% more during the last 3 weeks.

GUARANTEED ANALYSIS

CRUDE PROTEIN	Not less than	25.95 %	CRUDE FIBER	Not more than	3.8 %
