

Diamond Doggy Bites

(3052)

DIAMOND DOGGY BITES is a 25% crude protein meat- and rice-based dog food with vitamins, chelated trace minerals and poultry fat. DIAMOND DOGGY BITES does not contain any soybean meal or corn products. DIAMOND DOGGY BITES is a complete nutritional diet suitable for all breeds and ages. DIAMOND DOGGY BITES meets or exceeds the nutritional requirements established by the American Association of Feed Control Officials (AAFCO).

FEEDING DIRECTIONS

DIAMOND DOGGY BITES can be fed dry or mixed with warm water, broth or milk. Feed free choice with a self feeder or limit feed as shown below:

Weight of Dog	Maintenance	Growing/Exercise
	Standard 8 oz Measuring Cup	Standard 8 oz Measuring Cup
3-12 lbs	1/2-1 cup	1-2 cups
13-20 lbs	1 1/4-2 cups	2-3 cups
21-45 lbs	2-4 cups	4-5 cups
45-90 lbs	5-8 cups	8-10 cups
90+ lbs	1 cup per 10 lbs of body weight	

Pregnant dogs: Feed 50% more during the last 3 weeks based on body weight

Puppies may be started on DIAMOND DOGGY BITES when they are 3-4 weeks old. Mix 1 cup of warm water with 2 cups of DIAMOND DOGGY BITES. Give them all they will eat in 15-20 minutes, about 4 times a day. From 3 to 6 months, feed them all they will eat 3 times a day. From 6 months to one year, gradually reduce feedings to a single daily feeding.

NOTE: When changing dog foods, in order to avoid drastic changes to the digestive system, allow several days for the dog to adjust to the new food by gradually mixing the different foods together.

GUARANTEED ANALYSIS

CRUDE PROTEIN	Not Less Than	25.46 %	ASH	Not More Than	10.1 %
