- Rice Bran provides oils to enrich the *Integrity* of the skin and hair coat.
- Does not require additional vitamins or minerals.
- Does not contain corn wheat or soy products.

Feeding Instructions

- Dogs need a routine. Feed at the same time and place for every meal.
- Do not free-feed.
- When you switch dog foods, a *gradual* change is needed.
- Feeding amounts can vary with individual dogs; breed, activity level and environment will influence the amount of food fed.
- Fresh, clean water should be available at all times.
- Dog bowls should be cleaned frequently.
- Integrity dog food may be fed dry or moistened with warm water. To moisten, add 1 part warm water to 4 parts Integrity dog food. Discard any uneaten moistened food after each meal.

Integrity dog foods are formulated to meet the nutritional levels established by the American Association of Feed Control Officials (AAFCO) dog food nutrient profiles
