

## FEATURES

## BENEFITS

### High-Quality Protein Sources

WHITE FISH MEAL  
SHRIMP MEAL  
DEHULLED EXTRACTED SOYBEAN MEAL

Needed for building body tissue, scales, muscle, and nervous system

### High-Quality Energy Sources

DRIED DISTILLERS SOLUBLES

Energy is fuel for the body for work, growth

### Nutritionally Balanced Vitamins & Minerals

STABILIZED VITAMIN C

Needed for metabolism, skeleton formation, nerves, body fluid regulation, and enzymes

### Floating Food

Improves water quality, can observe fish eating. Healthier fish due to cleaner water

### Caratenous

Yellow pigment that gives color to the fish

## PREMIUM KOI FLOATING FOOD

**ACE-HI PREMIUM KOI FLOATING FOOD** is a 35% protein extruded product that helps maintain good water quality. They are longer lasting, longer floating and won't cloud the water. ACE-HI PREMIUM KOI FLOATING FOOD is formulated with stabilized vitamin C for the Koi's nutritional needs and with caratenous to help the fish produce the coloring of their fins.

### FEEDING DIRECTIONS

Feed at a rate equal to 3% of the live weight of the fish in the pond, raceway, or lake. Feed once or twice per day, an amount of feed the fish will clean up. Do not feed more than the fish will eat in 20-30 minutes. Feed at or near the same places each day and about the same time.

Distribute feed in enough places around the pond, raceway or lake so that the fish will not have to travel far to get food. Feed in 5 or 6 places in lakes of 1 to 2 acres, and more stations in larger lakes.

### GUARANTEED ANALYSIS

CRUDE PROTEIN	Not less than	35 %	CRUDE FIBER	Not more than	7 %
CRUDE FAT	Not less than	4 %	ASH	Not more than	11 %

### INGREDIENTS

White Fish Meal, Wheat Flour, Ground Corn, Dehydrated Alfalfa Meal, Corn Gluten Meal, Dehulled Extracted Soybean Meal, Shrimp Meal, Dried Distillers Solubles and Grain, Spirulina, Mono-Dicalcium Phosphate, Vitamin C (AsPP L-ascorbyl-2-polyphosphate), Choline Chloride, Propionic Acid (a preservative), Vitamin A Acetate, D3 Supplement (d-Act. An. Sterol), Roxanthin Red (color pigment), Niacin Supplement, Iron Sulfate, Vitamin E Acetate, Manganous Oxide, dl-Calcium Pantothenic Acid, Zinc Oxide, Riboflavin Supplement, Thiamine Mononitrate, Pyridoxine Hydrochloride, Vitamin K (Menadione Sodium Bisulfite Complex), Copper Oxide, Folic Acid, Biotin, Cobalt Carbonate, Vitamin B12 Supplement, Sodium Selenite.
