**GOAT FEED (MOLASSES)**

All Natural Ingredients  
**PRODUCT# 50530450** (50 lbs)  
 WWW.STARMILLING.COM

**Ace-Hi Goat Feed** is a 14% crude protein ration comprised of rolled grains, soybean meal, molasses, a protein pellet, vitamins and chelated minerals.

**FEEDING DIRECTIONS**

**DRY DOES**

Dry does should be supplemented with **Ace-Hi Goat Feed** at a rate of 1/2 lb to 1 lb per day, depending upon body condition. Dry pregnant does may be along with up to 2 lbs along with premium hay.

**LACTATING DOES**

The amount of **Ace-Hi Goat Feed** should be fed according to the individual doe's milk production. The rule-of-thumb is to feed 1/2 lb of grain for each 2 lbs of milk produced. Feed during each milking. The average consumption is between 2 lbs to 6 lbs of grain per day. In addition, feed high-quality hay. Average hay consumption is about 3 lbs per day. Make sure a supply of clean water and trace mineral salt is available at all times.
