

ALFALFA MOLASSES CRUMBLE (8048)

Kelley's Alfalfa Molasses Crumble is a pellet-like form that has been broken into a smaller size. It consists of alfalfa hay that is sprayed with molasses.

Alfalfa Molasses is better known as A&M; "crumble" is just a different form, and it can be fed to all types of horses regardless of age. Feed it as a treat or supplement.

Feeding Directions: Feed Kelley's Alfalfa Molasses Crumble at a rate of $\frac{1}{2}$ lb to 1 lb per 100 lbs of body weight, depending on the level of activity.
