

TOTAL ENHANCER PELLETS (3005)

Kelley's Total Enhancer Pellets are a supplement that will add vigor, growth, finish and bloom to any class of livestock. Formulated with vitamins, chelated minerals and digestive enzymes, Kelley's Total Enhancer Pellets are what's fed when only the best will do. Provide clean water at all times.

GOOD FOR CATTLE

Supplementing cattle with Kelley's Total Enhancer Pellets not only gives cattle a better start, but the added nutrition helps them overcome times of stress, e.g., showing, weaning and breeding. Supplementing brood cows should produce heavier calves at the time of weaning, which should give the producer more return for his money. Supplementing Kelley's Total Enhancer Pellets feeder calves and market steers should increase average daily gain and add extra bloom to the hair coat. Feed Kelley's Total Enhancer Pellets on a daily basis with the regular ration:

Nursing Calves	1 lb	Brood Cows	3 lbs
Show Calves	4 lbs	Breeding Bulls	2 lbs

GOOD FOR GOATS

Kelley's Total Enhancer Pellets supply needed nutrients in a concentrated form when needed the most. Top dress according to stage of growth, production or lactation. Not only will Kelley's Total Enhancer Pellets benefit the animal on the inside by enhancing overall nutrition, but also you can see the difference on the outside with added bloom to the hair coat. Feed Kelley's Total Enhancer Pellets on a daily basis with the regular ration:

Dry Does	1/4 lb	Nursing Kids	1/10 lb
Herd Replacements	1/4 lb	Herd Bucks	1/4 lb
Milking Does	1/2 lb	Show Stock	1/2 lb

GOOD FOR HORSES

The key for optimal health and performance is nutrition. To maximize performance and production for all levels of activity, supplement with Kelley's Total Enhancer Pellets. Whether you are feeding for the show ring, ranch or offspring, animals do better when they receive optimal nutrition. Formulated with high quality protein sources, vitamins and chelated minerals, Kelley's Total Enhancer Pellets let your horse reach its genetic potential, both inside and out. Feed Kelley's Total Enhancer Pellets on a daily basis with the regular ration:

Suckling Foal	1 lb	Pregnant Brood Mares	1/2 lb
Orphan Foal	1 lb	Lactating Mares	1 lb
Working Stallion	1 lb	Show Stock	1 lb

GOOD FOR SHEEP

Supplement sheep with Kelley's Total Enhancer Pellets to enhance weight gain during times of stress or to achieve optimal production. Kelley's Total Enhancer Pellets can be fed to breeding animals and show stock with added benefits for both. Feed Kelley's Total Enhancer Pellets on a daily basis with the regular ration:

Nursing Lambs	1/10 lb	Lactating Ewes	1/4 lb
Weaned Lambs	1/5 lb	Breeding Rams	1/2 lb
Bred Ewes	1/5 lb	Show Stock	1/2 lb

GOOD FOR RABBITS

To enhance rabbit litter size, health and rate of gain in fryers, Kelley's Total Enhancer Pellets can be fed with the regular diet. Supplementing breeding stock during times of stress and high activity should result in higher gains for fryers and add bloom to all rabbits' hair coats. Feed Kelley's Total Enhancer Pellets on a daily basis with the regular ration:

Bucks (Breeding)	1 level tablespoon	Young Fryers	1/2 tablespoon
Does for Milk Production	1 level tablespoon	Orphan Rabbits	increase to 1/2 tablespoon

GOOD FOR SWINE

To wean heavier pigs, have larger litter sizes and achieve optimal nutrition, feed **Kelley's Total Enhancer Pellets** to swine at all levels of activity. Formulated with high quality protein sources in a concentrated form with vitamins and chelated minerals, **Kelley's Total Enhancer Pellets** meet the need for all phases of production. Feed as follows with the regular ration on a daily basis:

Brood Sows..... $\frac{1}{5}$ lb
Suckling Pigs $\frac{1}{5}$ lb
Breeding Boars..... $\frac{1}{2}$ lb

Bred Gilts $\frac{1}{4}$ lb
Show Hogs..... $\frac{1}{2}$ lb

GUARANTEED ANALYSIS

CRUDE PROTEIN	Not Less Than	25.0 %
CRUDE FAT	Not Less Than	3.0 %
CRUDE FIBER	Not More Than	6.0 %
ASH	Not More Than	9.0 %
ADDED MINERALS	Not More Than	2.5 %
VITAMIN A		20,000 IU/lb
VITAMIN D3		6,000 IU/lb

INGREDIENTS

Dehulled Solvent Extracted Soybean Meal, Ground Barley, Wheat Bran, Ground Corn, Whole Dried Whey, Wheat Flour, Suncured Alfalfa Meal, Calcium Carbonate, Brewer's Yeast, Sodium Chloride, Molasses Beet Pulp Dried, Linseed Meal, Hydrolyzed Animal and Vegetable Fat Blend, Mono-Dicalcium Phosphate, Iron Oxide, Potassium Chloride, Lactobacillus Acidophilus, Streptococcus Faecium with digestive enzymes, Magnesium Amino Acid Chelate, Propionic Acid (mold inhibitor), Choline Chloride, Anise Oil, Vitamin C-Coated Ascorbic Acid, L-Lysine Hydrochloride, Calcium Amino Acid Chelate, Zinc Amino Acid Chelate, Manganese Amino Acid Chelate, Magnesium Oxide, Manganous Oxide, Calcium Iodate, Zinc Oxide, Copper Amino Acid Chelate, Iron Amino Acid Chelate, Niacin Supplement, Vitamin A Supplement, dl-Alpha Tocopherol Acetate, Menadione Sodium Bisulfite Complex, Folic Acid, Calcium Pantothenate, Thiamine Mononitrate, Ferrous Sulfate, Copper Oxide, Cobalt Amino Acid Chelate, Riboflavin Supplement, Vitamin D3 (d-Act. An. Sterol), Pyridoxine Hydrochloride, Vitamin B12 Supplement, Cobalt Carbonate, Sodium Selenite.

FEATURES

HIGH QUALITY PROTEIN SOURCES

HIGH QUALITY VITAMINS & MINERALS

CHELATED MINERALS

PELLETED FORM

DIGESTIVE ENZYMES

BENEFITS

Proteins are the building blocks for a healthy animal. Proteins build & repair muscle, tissue & hair

Needed for key metabolic functions, enzyme activity, electrolytic balance; precursors in building & repairing tissue

Minerals attached to proteins providing more bioavailability to the animal

No separating out of key ingredients

Aids in the assimilation of nutrients
