

FEATURES

BENEFITS

High-Quality Protein Sources

SOYBEAN MEAL
MEAT & BONE MEAL
WHOLE DRIED WHEY

Needed for growth and repair of body tissue. Soybean meal and meat & bone meal are high in amino acids

High-Quality Energy Sources

GROUND CORN
GROUND SORGHUM

Energy is fuel for the body to do work

Added Vitamins & Minerals

Needed for key metabolic functions and body fluid regulation

Medicated

CARBADOX

Aids in the control and treatment of swine dysentery and enteritis, increases rate of weight gain and improves feed efficiency

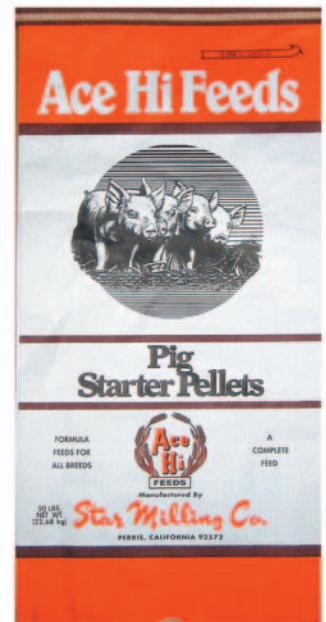

Pelleted Form

Easy handling, more nutrients per volume, less waste

PIG STARTER MEDICATED PELLETS

616

ACE-HI PIG STARTER MEDICATED PELLETS are an 18% crude protein ration formulated with high-quality proteins, energy, vitamins and minerals to help the piglets get off to a good start. ACE-HI PIG STARTER MEDICATED PELLETS use Carbadox as the medication to control of swine dysentery and enteritis as well as to increase the rate of gain and improve feed efficiency.

FEEDING DIRECTIONS

Always provide clean, fresh water and clean feed.

Weight of Pig

Feed

Amount of Feed per Head

25 lbs-75 lbs

Ace-Hi Super Starter (CSP250) or
Ace-Hi Pig Starter Medicated Pellets

1-1/2 lbs-3 lbs
or what they will eat in 20 minutes
FEED TWICE A DAY

75 lbs-175 lbs
