

## PIG AND SOW PELLETS (8031)

Kelley's Pig and Sow Pellets are a 16% protein, pelleted complete feed specially formulated for growing and finishing pigs. Kelley's Pig and Sow Pellets should be fed to pigs once they reach 50 lbs in body weight, and it is to be fed until animals reach 125 lbs. Begin switching over to Kelley's Hog Finisher, a 12% protein, pelleted complete ration. Feed until desired market weight.

Kelley's Pig and Sow Pellets were also designed to be fed to boars and gestating sows and gilts at a rate of 4-6 pounds per head per day depending upon body condition. Feed to lactating sows. Gradually increase the feed to lactating sows so they are consuming all they want by one week after farrowing.

**Management Tips:** Allow at least 8 to 12 square feet of floor space per pig pen and at least 1 feeder per 4 pigs and 1 waterer per 25 pigs; make sure pigs have clean, fresh water at all times; provide shade and mud baths during hot weather; do not feed moldy or spoiled feed to sows or pigs; clean pens on a daily basis.

### GUARANTEED ANALYSIS

CRUDE PROTEIN	Not Less Than	15.50 %
CRUDE FAT	Not Less Than	2.90 %
CRUDE FIBER	Not More Than	3.50 %
ASH	Not More Than	5.50 %
CALCIUM (Ca)	Not Less Than	.76%
CALCIUM (Ca)	Not More Than	1.03%
PHOSPHORUS (P)	Not Less Than	.57%
SALT (NaCl)	Not Less Than	.38%
SALT (NaCl)	Not More Than	.51%
ADDED MINERAL	Not More Than	1.60%

### INGREDIENTS

Ground Sorghum, Dehulled Solvent Extracted Soybean Meal, Wheat Bran, Ground Corn, Wheat Flour, Meat & Bone Meal, Calcium Carbonate, Suncured Alfalfa Meal, Sodium Chloride, Choline Chloride, Zinc Oxide, Manganous Oxide, Ferrous Sulfate, L-Lysine Hydrochloride, dl-Alpha Tocopherol Acetate, Vitamin A Supplement, Vitamin D3 (d-Act. An. Sterol), Calcium Pantothenate, Riboflavin Supplement, Niacin Supplement, Menadione Sodium Bisulfite Complex, Thiamine Mononitrate, Pyridoxine Hydrochloride, Copper Sulfate, Ethylenediamine Dihydriodide, Vitamin B12 Supplement, Ethoxyquin (a preservative), Folic Acid, Biotin Supplement, Sodium Selenite.

### FEATURES

**HIGH QUALITY PROTEIN SOURCES**  
SOYBEAN MEAL  
MEAT & BONE MEAL

**HIGH QUALITY ENERGY SOURCES**  
GROUND CORN  
GROUND SORGHUM  
WHEAT BRAN

**HIGH QUALITY ROUGHAGE SOURCE**  
SUNCURED ALFALFA MEAL

**ADDED VITAMINS & MINERALS**

### BENEFITS

Needed for growth & repair of body tissue. Both are high in amino acids

Energy is fuel which enables the body to do work

Provides fiber. Also provides vitamins & minerals

Needed for key metabolic functions & body fluid regulation
