SUGGESTED FEEDING PROGRAM

1. After egg production begins, feed **Ace-Hi Big Feeder Laying Feeds** for maximum egg production and livability.

2. Plan on using 1/4 lb of **Ace-Hi Big Feeder Laying Feeds** per hen per day. However, due to the size of the hen, time of year (summer vs. winter), age of hen and laying cycle, the feed consumption may vary.

IMPORTANT

- * Keep fresh feed and water available.
- * Do not overfeed or underfeed.
- * Feed trough should be filled from 1/2 to 2/3 full.
- * Provide fresh, clean water daily.
