FEEDING DIRECTIONS

Gamebirds	
0 to 8 weeks	Feed Ace-Hi Gamebird/Turkey Starter Kracketts as the sole diet for the first eight weeks of age.
At the 9th week	Change to Ace-Hi Gamebird/Turkey Developer by gradually blending Ace-Hi Gamebird/Turkey Developer into the diet, taking 5 to 7 days to change the diet completely.
After 9 weeks	<ol style="list-style-type: none"> For Meat: Self-feed Ace-Hi Gamebird/Turkey Developer until birds are prime and ready for market. For Release: Feed Ace-Hi Gamebird/Turkey and Ace-Hi Scratch free choice from the eleventh week until release. For Breeder Replacements: Feed Ace-Hi Gamebird/Turkey Developer and Ace-Hi Scratch free choice from the fourteenth week until 30 days before breeding season. Then place all the birds on Ace-Hi Gamebird/Turkey Starter as their sole diet.
