Added Grit	Aids in digestion.

Econo - Lay Mash

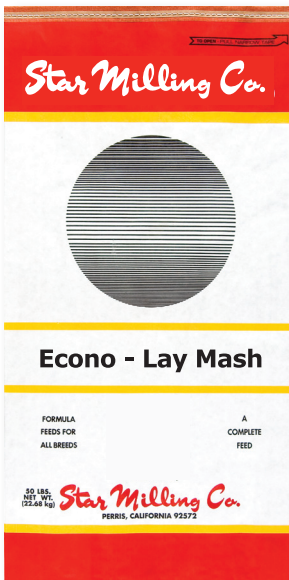

All Natural Ingredients
PRODUCT# 39500450 (50 lbs)
 WWW.STARMILLING.COM

Econo-Lay Mash is a 16% protein feed designed to be fed as a complete feed to pullets or to lay hens to enhance their egg production. Feed free choice starting around 16 to 20 weeks of age or upon onset of egg production.

Will meet all their nutritional needs throughout their egg-laying production and need not be supplemented with any other feed. Grit is added to this formula.

* **Provide fresh, clean water daily.**
