ECONO-LAY MASH

805

STAR ECONO-LAY MASH is a 16% protein feed designed to be fed as complete feed to pullets or to lay hens to enrich their egg production. Feed free choice starting around 16 to 20 weeks of age. STAR ECONO-LAY MASH will meet all their nutritional needs throughout their egg-laying production and need not be supplemented with any other feed. Grit is added to this formula.

Clean, fresh water and feed should be provided daily.
