PRODUCT #	SIZE	FORM
63770230	5 lbs. (bale of 6)	Extruded
63770225	25 lbs.	Extruded

Feeding Directions

Feed waterfowl (ducks, geese, and swans) until full. Do not overfeed as to create uneaten food waste, as this could negatively effect water quality.

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. **WARNING!** - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
